Purpose

The MNPS Open Data Portal demonstrates MNPS' commitment to transparency. It is a public platform for exploring, visualizing and analyzing data in multiple ways to build awareness and engagement, inform decision making, and improve educational outcomes for all students.

The data on this portal does not fully represent all data publically available from MNPS, but is designed to be a hub for locating the most requested data. MNPS plans to update the data quarterly.

Focus

The Enrollment report provides MNPS enrollment data by school, by grade level, and by sub-groups. It is an excel spreadsheet that you can download and review on a regular basis.
